The following points are submitted for orders in connection with the retransfer of the Secretariat functions from the Military Secretary to His Highness to the Gen. & Rev. Secretary ordered in G.O. of 3rd November 1914.

1. Temporary entertainment of two hands one in each Division of Secretariat Clerkships.

Col Jones has recommended two officials viz Mr. P.R. Narasinga Rao, & M. Narasimha Iyengar for appointments in this Secll.

Mr. Narasinga Rao is the Head clerk Govt Stall on Rs 50 + 10 C.A. and applies for a First Division Clerkship. He is not a graduate.

The other official M. Narasimha Iyengar is now a clerk in the Military Secretary's office & is getting Rs 25. He applies for a 2nd Grade clerkship. He has only passed the V. Second Form

Both the above officials are old officials of the Military Dept.

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

In this connection I beg leave to note that there are 14 officials included in the Second division but shown as eligible for vacancies in the first division. The senior in the list is Mr. Chayapati Rao. It would be better to give him a further trial in the clerical eligibility class for some time longer before he is taken on to the first division. The next official in the list is Mr. A. Srinivasaiya now working in the G. D. Section. He was sometime maintaining the file Registers of the Military Branch of the G. R. S when it was a separate branch. He may be posted temporarily as a first division clerk + placed on probation.

The Second grade clerkship temporarily sanctioned may be filled up by the appointment of M. Narasimha Iyengar recommended by the Military Secretary

II. Transfer of Records.

As regards this, the procedure indicated in paras 4 to 9 of the office note is suitable and may be adopted. This will involve upheaval in the Special Establishment and will affect the programme of work of that establishment for the current year as recently approved if the Military files and the writing up of connected registers have to be given preference. The draft to the Military Secretary may also be approved.

Chamarajendra Water Works.

Hitherto known as Hesseraghatta Water Works, 16 miles to the West of Bangalore, is the source of Water Supply to the C & M Station and City of Bangalore. The reservoir is a tank, 4 miles long and one mile wide, and the water is carried down from the tank through a masonry channel 4½ miles long, to the two pumping stations, one for the City and the other for the C & M Station at Sulivanahalli and Immudenahalli, whence the water is pumped by steam to the reservoir at Yeswanthapur and High-ground. The C & M. Station Works, though vested in the Municipality, are worked by the Military authorities and that of the City by the Mysore P. W. D.

Attached is the Station for Hassan. To the north of the town are some ruined temples of the Chalukyan style.

Another point of view is also possible. So early as the middle of the last century, the Pundits of the Sadar Dewani Adawlut at Madras expressed it as their opinion that if a Hindu testator died giving verbal instructions to his wife to adopt, her compliance with those instructions would invalidate the will, it being incompetent for the testator to authorise the adoption of a son to alienate the whole of his estate & thereby injure the means of maintenance of his "would-be heir". Though the question does not appear to have been decided in any reported case, the principle underlying the above opinion has been accepted in many a later case.

Another question dealt with in the case under notice is as to the effect of certain prior probate proceedings on the contention that after the date of the will the testator in revocation of a clause therein against adoption, gave his widow permission to adopt.
